

# Focus on architecture

**M**ARG Institute of Design and Architecture Swarnabhoomi (MIDAS) has a vision to become a hub for architecture by creating an environment where freedom of expression will find a place to flourish not just within student community but the faculty as well.

MIDAS is affiliated to Anna University, Chennai and offers B.Arch program that is approved by Council of Architecture (CoA), New Delhi.

Located in inspiring environment of Swarnabhoomi and surrounded by Heritage centers and architectural landmarks such as Mahabalipuram, Puducherry and Kanchipuram, MIDAS is an ideal learning centre for architectural education.

The curriculum and teach-

ing methodology at MIDAS integrates global standards of delivery and assimilation, enabling each student to gain extensive knowledge of international standards for architectural studies. MIDAS is known for its unique integrated learning environment (ILE) based on experiential learning through training and project workshops. Highly qualified core and visiting faculty from India and abroad teach students the nuances of architecture. At MIDAS, students are given ample opportunity to express their creativity at various platforms. The fully wifi campus of MIDAS is equipped with all modern amenities. The campus is an excellent learning ground for students. For more information, visit: [www.midas.ac.in](http://www.midas.ac.in)
