

MARG SWARNABHOOMI MOUs with TECPRO ENERGY SYSTEMS to manufacture PROFLEX range of Aeration Products ---Dinabhoomi dt.17.02.2012

MARG Ltd., one of the India's leading Infrastructure companies, through its flagship project MARG Swarnabhoomi, signed a Memorandum of Understanding (MoU) today with Tecpro Energy Systems, a leading manufacturer of Aeration Products and Pollution control products. As part of the MoU, TECPRO ENERGY SYSTEMS (TES) will be setting up a unit at MARG Swarnabhoomi to manufacture PROFLEX range of Aeration Products. The MoU was signed in the presence of C.B. Jeevanantham, Founder Chairman, Tecpro Energy Systems, J.Jayanthi Jeevanantham, CEO, Tecpro Energy Systems and AP Ganesh Ram, CEO - MARG Swarnabhoomi and Education Services.

TECPRO ENERGY SYSTEMS (TES) is one of the leading manufacturers of Aeration and Pollution control Products used in Sewage Treatment Plant (STP) and Effluent Treatment Plants for a green & clean earth and a better tomorrow. The organization is committed to offer quality & innovative products. PROFLEX DIFFUSER for Sewage Treatment Plants & Effluent Treatment Plants is a result of untiring R & D efforts of TES.

Speaking on the occasion, **C.B. Jeevanantham, Founder Chairman, Tecpro Energy Systems said**, *"Our mission is to be recognized as a leading provider of Aeration and Pollution control Products worldwide for a green, clean earth and a better tomorrow. The plant at MARG Swarnabhoomi will manufacture **PROFLEX DIFFUSER** used for Diffused Aeration in Sewage Treatment Plant (STP) and Effluent Treatment Plants."*

Welcoming TECPRO ENERGY SYSTEMS to MARG Swarnabhoomi, **AP Ganesh Ram, CEO - MARG Swarnabhoomi and Education Services said**, *"We are happy to have Tecpro Energy Systems manufacturing facility at MARG Swarnabhoomi, which already houses many leading companies.. The Zone has attracted the attention of a large number of engineering companies including global majors as well as MSME's. Spread over 311 acres of land with over 156 acres of processing area, the meticulously designed engineering Special Economic Zone at MARG Swarnabhoomi, intelligently caters to every minute need of the engineering industry, making it an ideal destination to start up operations."*
