

MARG INSTITUTE OF DESIGN & ARCHITECTURE SWARNABHOOMI (MIDAS)

MARG Institute of Design & Architecture Swarnabhoomi (MIDAS) - a niche institution for architecture education is addressing global need for high quality architects. MIDAS is affiliated to Anna University, Chennai and approved by the Council of Architecture, New Delhi. As per the recent rankings, MIDAS ranks amongst the Top 10 Architecture Institutes in Tamil Nadu. In a short span of time, this is an achievement for MIDAS and stands testimony to the quality of architecture education being imparted at MIDAS with a concerted industry focus. Regular workshops, seminars and guest lectures by industry experts play a major role in keeping the students abreast with industry norms and developments. Curriculum at MIDAS is designed to factor the prevailing trends across the world. Delivering quality education, setting global

standards & turning learning into employability is the focus of MIDAS. GRK Reddy, Chairman & Managing Director, MARG Group who envisioned this world class architecture institute says, "India is on an upward trajectory in infrastructure domain, wherein development of new built environments for future become an inevitable solution for sustainability. To deliver the true potential of planned infrastructure, India needs close to 400,000 architects and 120,000 planners over the next decade. MIDAS as part of the first such future built environment, MARG Swarnabhoomi, is playing a pivotal role in developing best in class Architects and planners in the country. Besides the research ecosystem at MARG Swarnabhoomi with futuristic research and innovation in sustainable technology will act as a catalyst towards developing a holistic talent pool for sustainable eco-systems".
